

QUICK START

Fairpot in five steps

Split a shared bill in any currency — in about a minute.

1

Describe it

Name, date,
people, currency

2

Add receipts

Category, amount,
photo

3

Check the shares

In both currencies

4

Save and share

Tell everyone what
they owe

5

Look back

History and
Summary

First time? Fairpot opens with its Terms of Use. Tick **I have read and agree**, then tap **Accept**.

The example below is a dinner in Makati for four people, paid in Philippine pesos, with each share also shown in Canadian dollars.

1

Describe the expense

1

Description

A name you will recognise later.

2

Date

Today, unless you change it.

3

People splitting

Everyone who shares the bill — including you.

4

Currency

Tap to search and pick the currency you paid in.

5

Rate badge

The rate Fairpot will use. Tap it to type your own.

2 Add the receipts

The screenshot shows the 'Receipts' screen. At the top, there's a 'Receipts' header. Below it, a form for adding a new receipt. The form has four main sections, each with a numbered callout: 1. Category (Food), 2. Amount (980), 3. Photo (Change photo), 4. Add photo. Below the form, there's a section for the current receipt: Tip (350), Add photo, Delete receipt. At the bottom, there's a section for the total of 3 receipts: Total of 3 receipts (P4,530.00), Rate (tap to change) (1 PHP = 0.02403 CAD), In Canadian Dollar (C\$108.84), Divided between (4 people), P1,132.50 / person, = C\$27.21 / person, live rate - 2026-10-01. The bottom navigation bar has icons for New, History, and Summary.

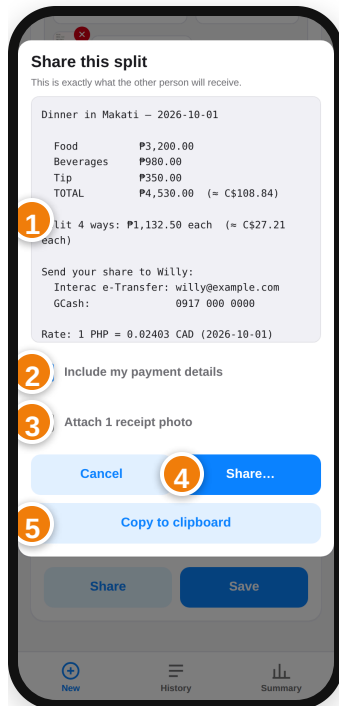

- 1 **Category**
Pick from the list.
- 2 **Amount**
In the expense currency.
- 3 **Photo**
Tap to see it full size.
- 4 **Add photo**
Camera or photo library.
- 5 **Delete receipt**
Removes that row.
- 6 **+ Add another receipt**
One row per part of the bill.

3 Check the shares

The screenshot shows the 'Receipts' screen with the 'Check the shares' section highlighted. The section shows the total of 3 receipts (P4,530.00), the rate (tap to change) (1 PHP = 0.02403 CAD), the amount in Canadian Dollar (C\$108.84), and the amount divided between 4 people (P1,132.50 / person, = C\$27.21 / person, live rate - 2026-10-01). The bottom navigation bar has icons for New, History, and Summary.

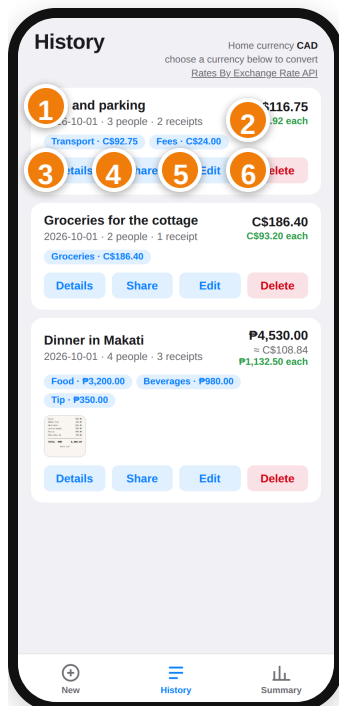

- 1 **Rate (tap to change)**
Type the rate your bank used, if different.
- 2 **Each person pays**
 $\text{P}4,530 \div 4 = \text{P}1,132.50$, about C\$27.21.
- 3 **Share**
Send the split.
- 4 **Save**
Stores it. "Expense saved" appears only once it is really saved.

4 Share it

- 1 **The message**
Exactly what people receive.
- 2 **Payment details**
Untick to leave them out.
- 3 **Receipt photos**
Attach them if you like.
- 4 **Share...**
Messages, WhatsApp, Mail...
- 5 **Copy to clipboard**
Paste it anywhere.

5 Look back

- 1 **Every expense**
Totals in both currencies.
- 2 **Each person**
The share per person.
- 3 **Details**
The full breakdown.
- 4 **Share**
Send it again.
- 5 **Edit**
Change it, then tap Update.
- 6 **Delete**
After you confirm.

Summary shows totals by category, month and year in your home currency.

Set up once

Where people can pay you
Offered every time you share a split. Add as many ways to pay as you like. Kept only on this device and in your backup file.

Your name (optional)

Saves it.

These details are added to every split you share, so people know how to pay you.

Home currency
Every total, summary and share message is also shown in this currency.

1 CAD Canadian Dollar 2 Change

- 1 Home currency**
Canadian dollars unless you change it.
- 2 Change**
Pick another. Saved expenses keep their rates.

Good to know

Works offline

Fairpot uses the last rates it downloaded and says so. New rates arrive once a day.

Earlier dates

Rates are today's. For an older expense, tap the rate and enter the one you paid.

Back up now and then

Summary → Save backup → Save to Files keeps a copy outside the app, photos included.

Private by design

No account, no ads, no tracking. Your data stays on your device.

Pinch to zoom

Pinch to enlarge any screen, and pinch again to zoom back out.

Need more?

Summary → Help → Open the User Guide covers every screen in detail.
