Administrator Delete my account

1. Join The Scorecard

Regular user

Sign in, or ask to join.

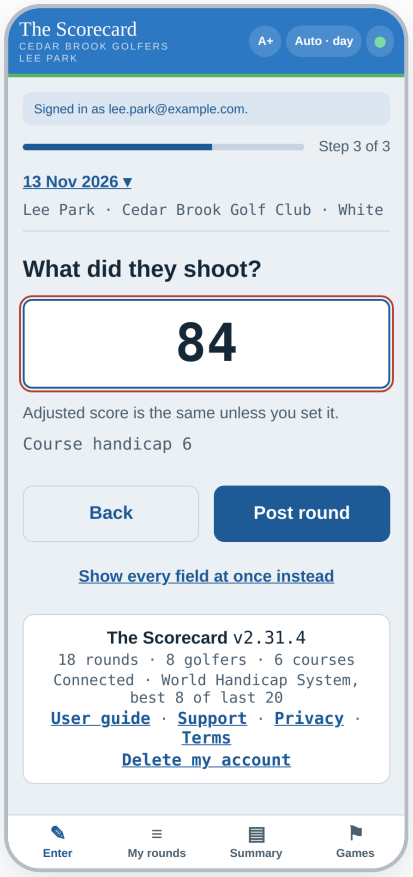

Real screen of The Scorecard 2.31.4, with made-up golfers.

1. Have an account? Type your email and Scorecard password and tap **Sign in**.
2. Invited by your group? Tap the link you were sent: it names you, so there is nothing to type.
3. Given a group code? Tap **I have a code**. Otherwise tap **Become a member or request a group**.
4. Forgot your password? Type your email and tap **Forgot the password**, then follow the email.

2. Post your first round

Regular user

Three short steps on the Enter tab.

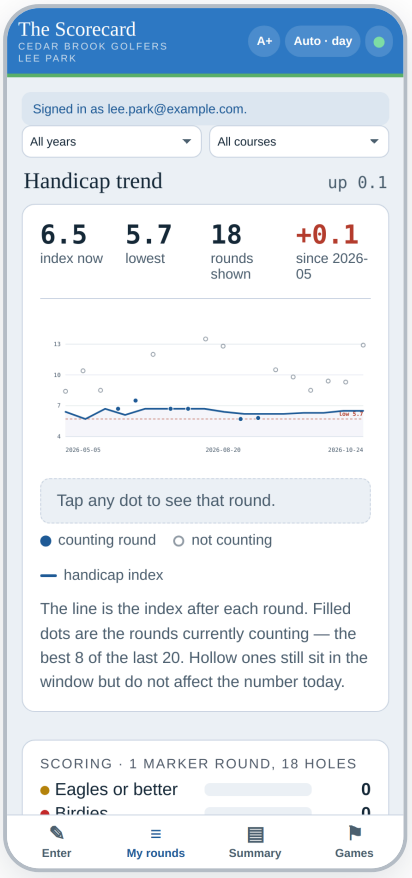

Real screen of The Scorecard 2.31.4, with made-up golfers.

1. Tap **Enter**. Choose the course and the tees you played, then tap **Next**.
2. Type your score. If the round was part of a game, choose the game.
3. Tap **Post round** once.

3. Check your handicap and history

Regular user

My rounds and Summary.

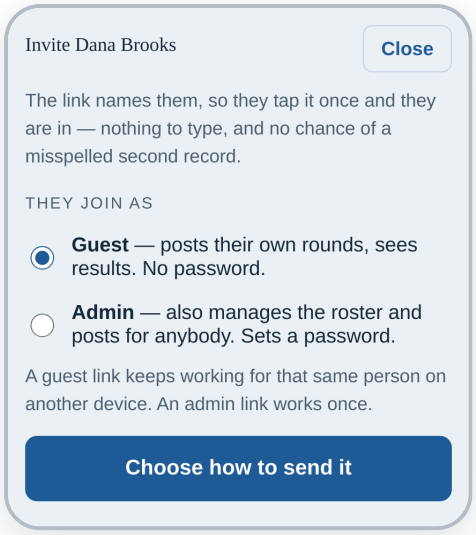

Real screen of The Scorecard 2.31.4, with made-up golfers.

1. **My rounds** lists every round, with a chart of your handicap index. Tap a dot to see that round.
2. A round scored in The Marker shows ▦ **Card**: tap it for every hole.
3. **Summary** shows the group ranking by handicap index.

4. Admin: invite a golfer

Administrator

Invitations are sent from the Manage tab.

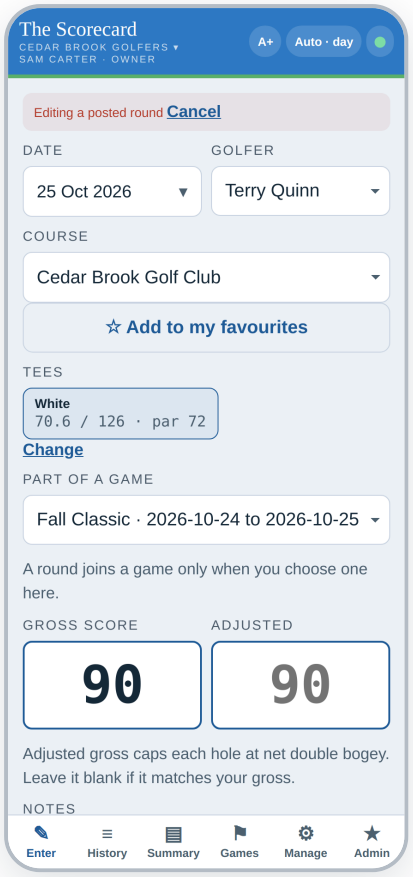

Real screen of The Scorecard 2.31.4, with made-up golfers.

1. Tap **Manage**, then **Show** beside **Golfers in this group**.
2. Tap **Invite** beside the golfer, choose **Guest** or **Admin**, and tap **Choose how to send it**.
3. A tick ✓ beside a name means that golfer has joined.

5. Admin: correct a score

Administrator

Corrections are made from History.

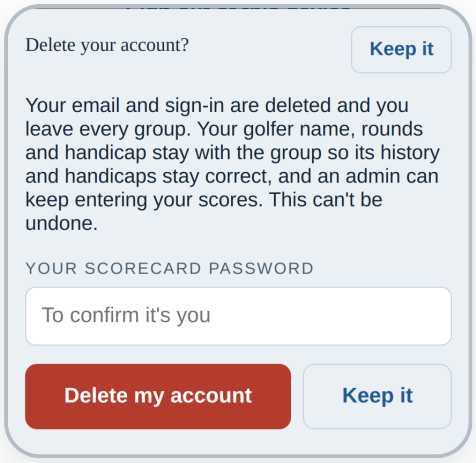

Real screen of The Scorecard 2.31.4, with made-up golfers.

1. Tap **History** and find the round. Tap **Edit**.
2. Change what is wrong and save. Rounds scored in The Marker are corrected in The Marker.

6. Delete your own account

Regular user

At the bottom of every page.

Real screen of The Scorecard 2.31.4, with made-up golfers.

1. Scroll to the bottom and tap **Delete my account**.
2. Type your Scorecard password and confirm. Your golfer name, rounds and handicap stay with the group.
3. Tap **Keep it** to stop. The full guide explains what is removed and what stays.
